

To all the Friends, Listeners, and Supporters of the Gospel Message Radio Ministry:

2020 has been a year different than any of us have ever seen. With the Corona Virus and Churches closed, it is helpful to remember that Jesus Christ is the same yesterday, today, and forever! I have thought a lot about Psalm 46:1 during this time, that God is our refuge and strength, a very present help in trouble. My prayer for you today would be that God would be who you rely on, and that you would truly have that peace that passes all understanding.

We believe Jesus Christ is coming back soon, and our goal is to share the message of Salvation with as many people as possible, and once they have accepted this gift of Salvation, to help them grow in their relationship with Jesus Christ through solid bible teaching. Everything we do here at the Gospel Message Ministries is done to the honor and glory of our Lord and Saviour, Jesus Christ!

The Gospel message radio program is broadcast once a week both in the English and German Languages. Our goal every month is to have 3 messages each month that have a bible teaching, and one message a month that will share the Gospel of Jesus Christ.. In the month of July, we have taken the whole month to explain the plan of salvation, with the goal that everyone listening to our program would clearly know that God has completed everything through his son Jesus Christ for our Salvation, and what is needed on our side to accept this free gift. We also try to have one Guest Speaker each month. We feel that is a great blessing for you, the listeners, to hear a different voice in a message.

We have been so blessed at the Gospel message these last few months. Almost every week we are adding new radio stations at new locations. We are currently at 42 radio stations, with possibilities of adding more. We have stations in Canada, the United States, Mexico, Belize, Bolivia, Paraguay, Argentina, and Germany. If you want a full list of the locations of the Stations along with the times of the broadcasts, please visit our website listed below.

On the digital side, we have started putting all the messages in both English and German on Youtube, and on Facebook every week. We also have WhatsApp groups where you can have the messages from each week sent to your phone. We would love to be able to bless you with this. You can call or send a message to our office phone number listed below to be put in these groups.

We are excited to announce that we have a new website, that lists information about the Ministry, our Radio Stations, and also has all our current and past messages to listen to and download. There is also an opportunity to donate to the Gospel Message Ministry. Through this Corona Virus time, things have been tough financially on a lot of us, and it has also been this way in our Radio Ministry. If you are able, please consider supporting The Gospel Message Radio ministry so that we are able to keep these programs on the air. You can give online or send your donation to the address listed below.

More than anything, would you pray for us? That the Holy Spirit would bring many to Christ, and that those that are saved, would be encouraged and strengthened through the Gospel Message Ministry. We wish you God's richest blessings as we work together to build his Kingdom!
