

Merry Christmas!

I hope 2022 has been a year of blessing, growing in your relationship with God, and continually looking forward to our eternal home. For us here in Seminole TX, it has been a hot dry year, but God has been good, and has blessed us more abundantly than we can be thankful for. We are thankful for your prayers of support, notes of encouragement, and financial support to further continue this ministry through this year.

2022 has been an exciting year at the Gospel Message ministry, as we have continued studying the book of Mark and the life of Jesus Christ. I know for me personally, knowing many of the stories from Sunday School, I have been amazed at the life of Jesus Christ, how he cared for the sick, his response to the religious, and his love for all. We also went through the story of Joseph, and his God given ability to forgive and love his brothers, overcome his circumstances, and foreshadow the life of Jesus Christ. Our prayer is that these messages have been a spiritual light and life to all that listen.

Our goal at the Gospel Message radio Ministry is to reach the lost, teach the saved, all to the honor and glory of Jesus Christ. We have approximately 60 different radio station air times every week with those divided into approximately 50 low german and 10 english. These stations are in 9 countries: Canada, the United States, Mexico, Belize, Paraguay, Argentina, Columbia, Bolivia, and Germany. We also send messages out in Whatsapp groups every week, have all messages available on youtube, and have the programs available on our website and also at different podcast locations. I share so that you know what your support is going to, and to give all glory to God and his work to build his kingdom.

At the close of this year, as we are trying to make things work financially and pay all our bills, would you consider sending a financial gift? Our commitment to you is that any gift sent to our ministry is used to teach the word of God, build the kingdom of God, and to glorify the name of God. Thank-you in advance for your support

From myself, our Board and secretary, we wish you God's richest blessings this Holiday season! Merry Christmas and God bless you with a wonderful 2023!
