

To the Valued listeners of the Gospel Message:

I want to greet you with the words of Paul to the Ephesians in Chapter 1 verses 2 and 3, when he says “Grace be to you, and peace, from God our Father, and from the Lord Jesus Christ. Blessed be the God and Father of our Lord Jesus Christ, who hath blessed us with all spiritual blessings in heavenly places in Christ.” We wish you that grace and peace that ONLY comes from Jesus Christ! We, at the Gospel Message feel that God has blessed us with many spiritual blessings, and a special opportunity to share the Gospel of Jesus Christ.

Our Goal at the Gospel Message Ministries has to do with 3 things. First, that we reach the lost with the Gospel of Jesus Christ through this radio program, and that they may be saved. Second, that we may teach the saved, that Christians would follow Jesus in all they do, and through clear Bible teaching during this 30 minute program, many would have a clear understanding of what the will of God is in their lives. Lastly, that all of this, from the work of the board, to the preparation of the messages, to the contact we make with people, to every word that is spoken on the radio would be done to the honor and glory of our soon coming king, Jesus Christ.

The Gospel message radio program is once a week, so approximately 4 times a month. We are working towards having 3 biblical teaching messages every month, with one message that will share the gospel of Jesus Christ, and what he did for us that we can truly be free, that we can be his children. We are also working towards having 1 guest speaker each month, so that you, the radio listener will be blessed with hearing biblical teaching from around the world. In the month of January, we had Donald Neufeld from Bolivia, and in the month of February we are looking forward to having Jacob Sawatzky from Mexico on the program. This will usually be the last week of each month.

The Gospel Message has expanded significantly in the last few months. We are now on approximately 17 radio stations in Mexico at 8:00 am each Sunday morning. We are also working to expand into Bolivia, with details coming in the near future. We are also on the Low German “plautpot” website, which many Low German radio stations have access to, and can use our programming on their stations in Germany, Bolivia, Paraguay, Mexico, and many other places. We have also set up a WhatsApp group where the messages are sent into each week. If you, or anyone you know are interested in being part of this, please email us or write us at the address below.

The Gospel Message is also working at producing a website where the message will be available anytime to be played, or downloaded, and sent further through a variety of media, including your cell phone. The Website will include information about the ministry, new things we are doing, all the messages, and also an opportunity for you, the listener, to give an online donation.

The Gospel Message Ministry appreciates your continued support to keep this radio program on the air. We also earnestly covet your prayers. Would you consider taking some time each week to pray for our ministry, our board, and myself, as the radio pastor? We need your prayers to continue doing God’s work, in God’s way, to reach God’s people, with the Gospel of Jesus Christ! May God bless you richly for this support!
